Kentucky Department of Agriculture

A Consumer Protection And Service Agency

June 10, 2009

Dear Registrant /Applicant:

As all of you know the Kentucky Department of Agriculture, Department of Pesticide Registration underwent a major change over this past year. The implementation of our new Online Product Registration System, offering the option to register new products and/or renew established products quickly and easily through the new online system. In addition to this major change, there have also been some revisions made in the KDA regulations and fees. This letter is to inform you of said changes.

In March of this year (2009) the General Assembly of the Commonwealth of Kentucky begin reviewing and in due course past a new fee regulations request for approving an increase in the per product pesticide registration fee; raising the fee from one hundred twenty five dollars (\$125.00) per product to two hundred fifty dollars (\$250.00) per product. This new registration fee will go into effect as of June 25 of this year (2009).

Beginning June 25, 2009 all new product registrations and all renewal registrations of established products, will be charged the new fee of two hundred fifty dollars (\$250.00).

If you have any questions or concerns, please contact me (preferably via email) at connie.lashbrook@ky.gov or by phone at (502) 573-0414. Thank you in advance for your cooperation during this time of transition.

Sincerely,
