Each Food Service Director/Administrator is asked to supply the distributor with any changes in the following information for school year 2010: name of FSD, e-mail address, work and home telephone numbers in the event changes in delivery schedules are required during off hours. The names and telephone numbers of each manager, the shipping address of each site and any other person(s) authorized to receive commodities must be forwarded to the distributor by fax or email.

In order for the distribution program to be successful, mutual cooperation must exist between the distributor and the recipient agency. We are looking forward to a good year with the distribution program. If you have problems or concerns that you and the distributor can not resolve, please contact Larry Garriott at 502-573-0435 or Kevin Peach at 502-573-0424. As always, we are ready to assist you in the successful operation of this program.
