## Kentucky Department of Agriculture *A Consumer Protection And Service Agency*

### MEMORANDUM

TO: Food Service Directors / Administrators

FROM: Teresa Ulery, Director  
Division of Food Distribution

DATE: March 13, 2007

SUBJECT: Advisory Council Members

As many of you are aware the Commodity Advisory Council has become a great source of information for this office and a way for information to be shared with food service directors across the state. Our last meeting was held in September 2006, at Rough River State Park. This meeting was an attempt to get the Commodity Advisory Council up and running once again. We still have some vacant positions on the council that we would like to fill, prior to our next meeting which is tentatively set for the month of May.

The following positions on the council need to be filled: Region 1, Region 4, Region 7, Region 9 and Processing Broker

If you know of a food service director that would be a good candidate or you yourself would like to serve in this capacity, please email Brandy May at [Brandy.May@ky.gov](mailto:Brandy.May@ky.gov) with your nomination.

Attached is a list of the current council members. If you are on the list and do not wish to be a member of the council, please notify Brandy at the email address above, and provide us with the reason you can not participate at this time.

Should you have questions concerning the requirements or the duties of the position, please contact me at the following email address: [Teresa.Ulery@ky.gov](mailto:Teresa.Ulery@ky.gov)
