INFORMATIONAL MEMORANDUM – KY-FD-IM-S-07-04

TO: Food Service Director / Administrator

FROM: Teresa Ulery, Director
Division of Food Distribution

DATE: February 1, 2007

SUBJECT: 2006-2007 Entitlement Balance

The 2006-07 school year has been an unusual one in regard to spending entitlement dollars. Several items were canceled including potatoes, peaches, fruit mix and turkeys with a dollar value of approximately \$900,000. In addition an extra \$2.8 million was allocated to Kentucky due to a per meal adjustment. Due to these and other factors we will be allowing Recipient Agencies to carry over entitlement money for the 2007-08 school year.

The amount per agency will be determined once all shipments have arrived and ending entitlement balances have been verified. Keep in mind that the amount of entitlement and number of agencies allowed to carry over is due to the unusual circumstances that occurred this year. We do not plan on this becoming an every year occurrence. For those agencies with entitlement carry over, arrangements will need to be made to insure that the carry over along with your 2007-08 entitlement is utilized during the 07-08 year.
