## Kentucky Department of Agriculture *A Consumer Protection And Service Agency*

POLICY MEMORANDUM: KY-FD-PM-S-08-02

TO: School Food Service Directors / Administrators

FROM: Teresa Ulery, Director  
Division of Food Distribution

DATE: August 1, 2007

SUBJECT: Commodity Assistance Rate – School Year 2008

The USDA Food and Consumer Service Office has notified this office that the commodity assistance rate for each reimbursable school lunch for school year 2008 will be **\$0.1875** cents. This is an increase of 0.175 cents per meal from school year 2007 (July 1, 2006 through June 30, 2007); ECOS currently reflects this change. At this time your entitlement is based on the above rate and the number of reimbursable meals reported to us by the Department of Education, Division of School and Nutrition for the 2006 school year. As soon as the information from the 2007 school year is available, the number of reimbursable meals will be adjusted, no later than mid December.

Should you have questions or concerns pertaining to the commodity assistance rate or your entitlement amount, please contact Dan Flaherty at 502-573-0298 ext 278 or his email address:
