POLICY MEMORANDUM: KY-FD-PM-S-09-01

TO: School Food Service Directors / Administrators

FROM: Teresa Ulery, Director
Division of Food Distribution

DATE: July 8, 2008

SUBJECT: Commodity Assistance Rate – School Year 2009

We have received notification from the USDA Food and Consumer Service Office that the commodity assistance rate for each reimbursable school lunch for school year 2009 will be **\$0.2075** cents. This is an increase of two (2) cents per meal from school year 2008 (July 1, 2007 through June 30, 2008); ECOS currently reflects this change. At this time your entitlement is based on the above rate and the number of reimbursable meals reported to us by the Department of Education, Division of School and Nutrition for the 2007 school year. As soon as the information from the 2008 school year is available, the number of reimbursable meals will be adjusted, no later than mid December.

Should you have questions or concerns pertaining to the commodity assistance rate or your entitlement amount, please contact Roger Estill at 502-573-0298 ext 278 or his email address: Roger.Estill@ky.gov
