

## **MEMORANDUM**

**TO:** All Foodservice Directors and Administrators

**FROM:** Pat Cassetty, Director  
Division of Food Distribution

**DATE:** August 19, 2002

**SUBJECT:** Change in Regulations Regarding Pesticide Application in Schools

---

We have received several calls pertaining to the recent changes in pesticide regulations and the school's responsibility. Since this is administered by another Agriculture Division we are providing the following information to all FSD's and Administrators.

The enclosed information pertains to the recent changes in State Pesticide Regulations regarding pesticide application in schools, effective July 1, 2002. Specifically 302 KAR 29:050 Commercial structural pest control and fumigation. Section 12 Pesticide Application in Schools.

Please go to the web site below to review the Kentucky Pesticide Regulations, scroll down to 302 KAR 29:050 (page 47) and then to Section 12 Pesticide Application in Schools (page 55 and 56) for specific information. You will need Acrobat Reader, which is available through a link on our web site if it is not installed on your computer. Please note the \_ between /enviro and out/.
