Statement: my co-worker let as many people in the gate to fill the ~~cars~~ then we check all the sit belts to make sure they were ~~ready~~ ready then we hit the section ready button then we went back in the gate to hit the buttons to make the ride go then the ride started going up and we heard a cord snap and i scream out stop the ride but it was too late it was already coming down and i looked and the girls foot right in front of me so i ran to the ~~end~~ front my co-worker was on the phone trying to get help and we tried to let people off

I make this statement voluntarily and it is true and accurate to the best of my knowledge.
