## Gulfood 2011

### Promotion of Southern U.S. Food Products Dubai, United Arab Emirates February 27-March 2, 2011

- *The Gulf countries depend much on the import of various food, foodservice and food processing products.*
- *The GCC countries have a high per capita income level, a taste for novel products and interest for quality food.*
- *The GCC countries import a total of about \$ 10 billion for food and agricultural products.*

Gulfood is the most regional marketing platform and meeting point for manufacturers and buyers, and since its first edition in 1987 has achieved the status of being the largest and most attended event in the Middle East. The show is open to trade visitors only. In 2010, there were 3,500 exhibitors from 81 countries and 55,379 visitors from 153 countries.
