

As of June 2011 = Dairy Processors in Kentucky

Map provided by Eunice Schlappi, Ky Dept of Agriculture

Note:

- As of August 2011, Trauth Dairy of Newport will no longer be a fluid processing plant (distribution only)
- Chaney's of Bowling Green makes ice cream from powders & has someone bottling their milk
- There are other ice cream makers in the state using powders but none other than Chaney's are on the farm
- Many value-added on-farm units are in the works but are not yet in operation
