

## Kentucky Department of Agriculture Hemp Licensing Program

### 2024 Seed and Transplant Providers List

The list includes only those license holders that elected to have their contact information publicized for the purpose of selling seeds and/or transplants to other license holders. Listings are in alphabetical order.

KDA does not recommend or endorse any of these businesses or individuals. Some of these entities may still be in the planning phase, and none of them are obligated to accept orders. Any contract or transaction is solely between License Holders. Before purchasing any planting materials, all licensed growers should consult the Summary of Varieties List found on the website:

[https://www.kyagr.com/marketing/documents/HEMP\\_LH\\_Summary\\_of\\_Varieties\\_List.pdf](https://www.kyagr.com/marketing/documents/HEMP_LH_Summary_of_Varieties_List.pdf) Prohibited Varieties cannot be purchased, sold, or grown in Kentucky.

The entity engaging in the distribution of seeds in Kentucky must adhere to the applicable Kentucky seed laws (KRS 250.010 to KRS 250.990) and administrative regulations (12 KAR 1:116 to 12 KAR 1:175). Visit the UK-DRS seed program website for more details: <http://www.rs.uky.edu/regulatory/seed/>. Any person in Kentucky who intends to move transplants or other living plants to a location outside Kentucky must obtain a Class A Nursery License from the Kentucky Office of the State Entomologist. Find more details on their website here: <http://www.uky.edu/Ag/NurseryInspection/>.

Kentucky law KRS 260.858, Section(3) specifies, "*It is unlawful for a person who does not hold a license issued by the department, or who is not an agent of a licensee, to cultivate, handle, process, or market living industrial hemp plants or viable seeds, leaf materials, or floral materials derived from industrial hemp. Penalties for persons who cultivate, handle, process, or market living industrial hemp plants or viable seeds, leaf materials, or floral materials derived from industrial hemp without a license are the same as those penalties that are applicable to persons who violate KRS Chapter 218A, relating to marijuana.*"

Please visit [www.kyagr.com/hemp](http://www.kyagr.com/hemp) for more information about the hemp licensing program.
