Though the market may allow other types of sales, the sale of agriculture products grown or produced by the seller or their family should be the primary business of the market. If the location sells for other farmers who are not present, then review the definitions of produce market/roadside market and on-farm market.
<input type="checkbox"/> Food Service	The practice or business of making, transporting, and serving or dispensing prepared foods, as in a restaurant or commissary.
<input type="checkbox"/> Garden Center	Retailer of flowers, trees, shrubs and/or ornamental landscape products.

Nursery stock means all field or container-grown and native trees, sod, shrubs, herbaceous perennials, vines, cuttings, grafts, scions, buds, fruit-pits, and other seeds of fruit and ornamental trees and shrubs; also other plants and plant products for, or capable of, propagation, excepting field, vegetable, and flower seeds, bedding plants, bulbs, and roots. Plant and plant products means any trees, shrubs, vines, foliage and cereal plants, and fruit, vegetables, roots, bulbs, seeds, wood, lumber, and all other parts of plant or plant products.
<input type="checkbox"/> On-Farm Market	An on-farm market is located on the producer's farm and may carry its own produce and value-added products and the products of others.
<input type="checkbox"/> Producer Group	An organization, association, or network of producers that utilizes a common marketing system. Example: CPH-45.
<input type="checkbox"/> Restaurant	A retail establishment that serves prepared food and drink to customers. The term covers many types of venues and a diversity of styles of cuisine and service.
<input type="checkbox"/> Retailer	Any retail outlet that carries Kentucky Proud items that does not fit the other categories such as grocery, garden center, or roadside market.
<input type="checkbox"/> Roadside Market	A store or stand that sells primarily produce and locally produced value-added products. This produce may be from local farmers or from other sources. This marketplace is different from a grocery store because it sells primarily produce.
<input type="checkbox"/> School	An institution for the instruction of children or people.
<input type="checkbox"/> Winery	A winery means any place or premises in which wine is manufactured from any fruit, or brandies are distilled as a by-product of wine of other fruit, or cordials are compounded.
