

KENTUCKY PROUD 2024 FARM TO FORK EVENTS

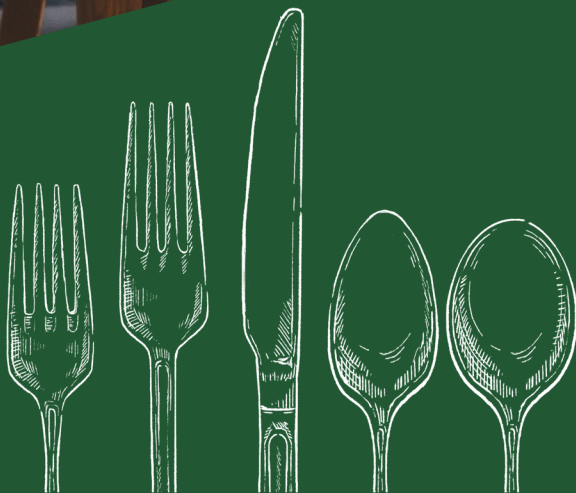

ABOUT

What if you could bring together friends and community members around a great meal highlighting ingredients grown fresh from our Kentucky farm families? A meal that literally comes together fresh from the farm to that table. And what if on top of all of this, you could also help raise money for a local charity?

The Kentucky Proud® Farm to Fork program aims to increase awareness of farm to table benefits and the Commonwealth's local food movement by teaming up with organizations to raise money for community charities. Host organizations organize events that highlight local farms, farmers, producers and Kentucky Proud farm products.

Get involved today and find a Kentucky Proud Farm to Fork event near you!

Have questions about a listed event? Please contact the Host Organization directly to confirm event date, time, and location. Event details are subject to change.
