

AZUR FARMERS MARKET APPLICATION RULES AND GUIDELINES

3070 Lakecrest Circle Suite 500

Chef Jeremy Ashby: Market Contact Number 859-536-8760

Guidelines and overview: This market is designed to bring farmers directly to consumers in an area of Lexington which is commercially and residentially ideal. The market sponsor, Azur restaurant and patio has a large common area and covered patio complete with tables and chairs (first registered, first served) to reduce set up for the vendor. There are no vendor fees!!!!

All Kentucky products are cordially invited as long as they are true to the form of a local market. Definition of local being within 200 miles, or grown and produced within the state of Kentucky.

Sorry, no live animals or livestock due to Health Department regulations.

Reselling is an option as long as the products are local

Market runs from 8 am to no later than 2 pm on Saturdays to allow the restaurant to set up for dinner service

One farm per week shall be chosen to demo their products by the restaurant chef. A simple, tasteful preparation using the chosen ingredient in prime season shall be sold inside to restaurant and market patrons to direct market focus to the farm and product.

All sales will be independent of the restaurant. Credit card processing, change and cash banks must be handled by each vendor.

Set up and break down of restaurant property must be done by vendors at beginning and end of market. Azur staff may or may not be available at the market at time of opening. Azur is offering only the location and property. The tables are here to be used, but will need to be positioned for your booth with careful attention paid to egress pathways.

The restaurant reserves the right to position vendors to promote proper commerce.

Signage for independent vendors is welcome, but not provided.
