

Metcalf County Farmer's Market Rules 2011

1. Kentucky producers will sell produce (mainly Kentucky grown), value-added products and hand crafted items that meet the Kentucky Proud Market regulation requirements, during market days.

2. Producers will not be charged a fee to vend at the Metcalfe County Farmer's Market during the 2011 production year.

3. **The statewide Farmers Market report will be utilized as a guideline when common items begin to become readily available, if there is conflict among market vendors, with regard to establishing a base price that no vendor can sell below, during high competition times in the season with common items such as corn and tomatoes. We will only do this if there is a conflict.**

4. Producers will be responsible for carrying out all produce waste including boxes and trash items, dumpster/garbage SERVICE WILL NOT BE PROVIDED BY THE EXTENSION SERVICE. (Bathroom trash is the exception).

5. Non-Kentucky grown products will be clearly labeled: either with the state that they are from or as "not Kentucky grown". (This is a Kentucky Proud Farmer's Market and Senior Farmers Market Nutrition Voucher program regulation)

6. All producers will label their prices CLEARLY EVERY DAY! This is a SFMNP and KY Proud requirement and will help you with customers!

7. All sellers/producers will receive and sign-off on the adopted Metcalfe county Farmer's Market rules.
