A Consumer Protection and Service Agency

**MEMORANDUM**

**TO:** VS Embargo Update  
**FROM:** E. S. Rusty Ford, Staff Assistant  
Equine Programs Manager  
**DATE:** July 28, 2009  
**SUBJECT:** Valencia County NM Added

USDA has reported vesicular stomatitis (VS) being confirmed in Valencia County New Mexico. This confirmation of disease results in Valencia County being included in Kentucky's designated VS Embargoed Areas. Kentucky's Administrative Regulation 302 KAR 20:115 now prohibits the entry of all livestock, wild and exotic animals into Kentucky from the VS Embargoed portions of New Mexico and Texas described below.

For current embargo information and Kentucky's entry guidelines please visit [www.kyagr.com/statevet/disease/VSV.htm](http://www.kyagr.com/statevet/disease/VSV.htm) regularly.

**ENTRY REQUIREMENTS**

**Embargoed Areas within VS Positive States**

All Livestock (including equine), wild and exotic animals are currently prohibited from entry into Kentucky from the designated areas defined to include the following counties:

**NEW MEXICO:** DeBaca and Valencia

**TEXAS:** Starr

**Non-Embargoed Areas of VS Positive States Allowed Restricted Entry**

**In addition** to the entry requirements found in 302KAR20:040 - Entry into Kentucky, all livestock (including horses), wild and exotic animals originating from the non-embargoed areas of a state having confirmed cases of VS are **required to meet** the following conditions prior to entering Kentucky.

1. **Be tested** and found negative to VS using a USDA approved test (Complement Fixation, Virus Neutralization and CELISA tests are accepted) with the sample collected during the 10 day period prior to the animal's arrival in Kentucky.
2. **Equine** from a non-embargoed area must be **tested using the C-Elisa Test with the sample collected during ten (10) day period prior to the animal's entry into Kentucky.**
3. Have an **entry permit** issued by this office recorded on the Certificate of Veterinary Inspection. Permits will be issued Monday through Friday 8:00am – 4:30pm EDT.
4. Be accompanied by a **Certificate of Veterinary Inspection indicating that examination of the animals occurred during the five (5) day period prior to arrival in Kentucky** and containing the following statement: "Animals represented on this CVI have not originated from a premise or area under quarantine or on which vesicular stomatitis has been diagnosed in the past thirty (30) days or from an embargoed area restricted from entry into Kentucky.

### States Bordering Designated Embargoed Areas

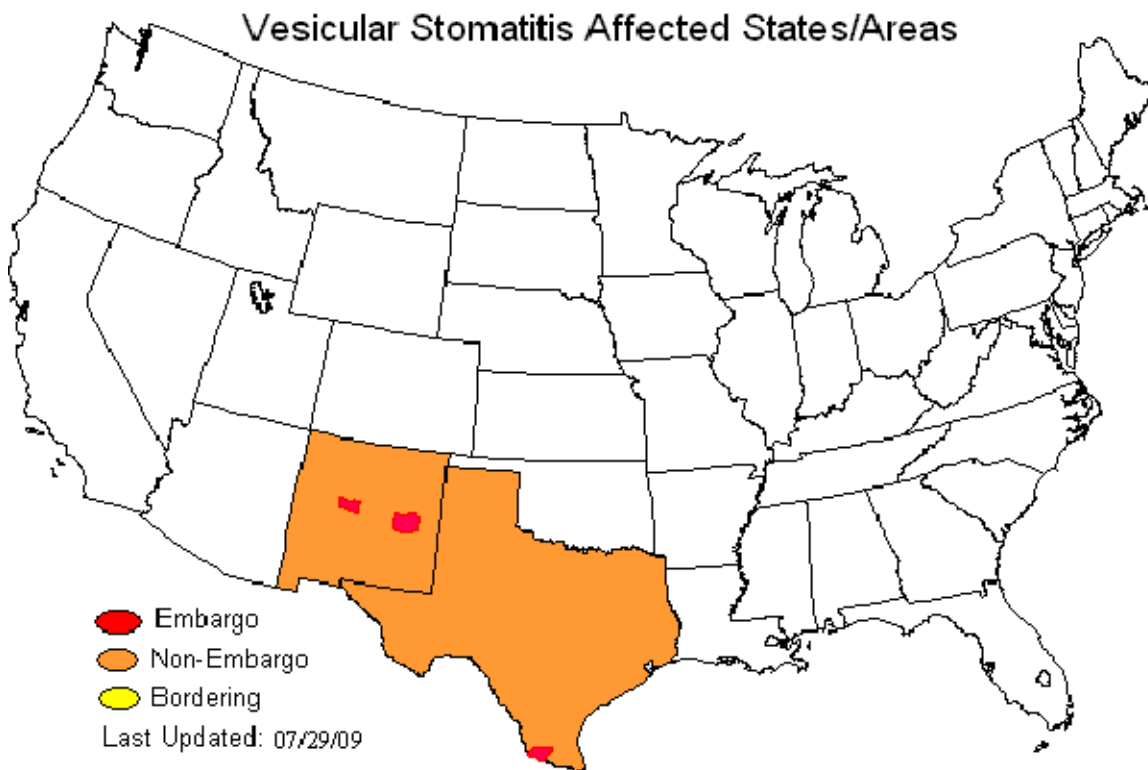

**There are currently no bordering states defined by the KY Dept of Agriculture**

**In addition** to the entry requirements found in 302KAR20:040 - Entry into Kentucky, all livestock (including horses), wild and exotic animals originating from a state which has a common border with a VS Embargoed Area are required to meet the following conditions prior to entering Kentucky.
