2017 Honey Report

Currently, the Commonwealth of Kentucky has no estimates for honey reports. For administrative and economic reasons, the KDA will collect information on honey crops within the Commonwealth in accordance with state law, although beekeeper participation is voluntary. Please include the following:

- Beekeeper name
- Pounds of honey by October 01, 2017:
- County
- Total colonies as of Oct 01, 2017:

General definitions: Hobbyist, 1-30 hives; Sideliner, 30-99; Commercial, over 100 hives

Your help is greatly appreciated in this manner. Please email, fax, or mail this form to the address/number listed below by Oct.01, 2017. Thank you for your assistance.
