

**APPLICATION FOR A LIVESTOCK MARKET TO HANDLE SLAUGHTER SWINE ONLY
 IN ACCORDANCE WITH CFR PART 76, TITLE 9**

This is to request approval of _____ Stockyard, located at _____
 _____ to be specifically approved for handling slaughter swine only in accordance
 with CFR Part 76, Title 9.

In applying for this approval, we agree to:

1. Cooperate in obtaining compliance with CFR Part 76, Title 9.
2. Receive only swine for slaughter, and to permit no swine to be removed from the market unless they are consigned for immediate slaughter to a recognized slaughtering center approved for this purpose in accordance with federal and state regulation.
3. Maintain well-constructed pens and swine-handling facilities that are clean and in good repair.
4. Maintain records of origin and destination of swine handled at the yard or market, and grant authorized State and Federal inspectors access to such records.
5. Furnish a schedule of sale days.
6. Isolate all swine suspected of being affected with or exposed to hog cholera, promptly notify the State or Federal agency, and hold such swine in isolation pending instructions or disposition.
7. Clean and disinfect swine-handling facilities as deemed necessary by State and Federal agencies to guard against spread of disease.
8. Comply with all State of Kentucky laws and regulations as they pertain to public sales and movement of swine.

The above eight points have been explained to my satisfaction and understanding.
