Old Business:

Commissioner Shell called on Mr. Jones, Ms. Smither, Mr. McCloskey, and Brian Murphy to present the following modifications, time extensions and withdrawn applications.

Modifications

AF20-0051 Black, Jason

Mr. Murphy presented a memorandum (*on file*) regarding the above-mentioned loan. The KAFC Board approved Mr. Black on August 27, 2020, the KAFC entered into a participation agreement to purchase a 100% interest in a \$250,000 note (FCB #37450).

In July, FSA committed to a revised servicing plan if Jason Back could retain a contract with Tyson. FCB provided funds needed to bring the barns to a satisfactory level, so birds were placed on August 8. Now, FCB proposes a substantially relaxed servicing plan which would require the KAFC Board to agree to the following adjusted terms:

1. Recapitalize accrued interest (\$1,611.00 as of August 13, 2025) bringing the new balance to approximately \$185,000.
2. One year of an interest-only payment followed by nine fully amortizing payments.
3. The maturity date would remain August 25, 2035.

This will allow FCB to recoup the bulk of its unguaranteed loan which is in last lien position on all collateral.

Ms. Noel moved to accept proposal and FSA approval; Dr. Burdine seconded the motion.

VOTE: Motion Passed; Unanimous.

AF22-0011 Brogle, Scott

Mr. Jones presented a memorandum (*on file*) regarding the above-mentioned loan. The loan officer with Central Kentucky Ag Credit Danville has requested a modification for loan AF22-0011 on behalf of Scott and Lee Brogle. The KAFC Board approved Scott and Lee's request for \$218,550 as part of a \$401,780 project for the purchase of 50 acres in Mercer County at the March 11, 2022, meeting.

This request was sent to the loan review and compliance committee due to prior intent to renovate the existing home on the property to be their primary residence upon completion. However, once the remodel process began, material and structural problems were found. After comparing estimated cost to repair the existing structure compared to a new construction, they have decided to demolish and rebuild it in the same approximate location.

The loan officer is requesting that KAFC subordinate to the new construction loan. This application was referred to the Loan Review Committee.

The Loan Review Committee recommends approving as presented.

Ms. Noel moved to approve the committee recommendation, as presented; Mr. Hunt seconded the motion.

VOTE: Motion Passed; Mr. Noe Abstained.

AF24-0029 Sisk, Jonah

Mr. McCloskey presented a memorandum (*on file*) regarding the above-mentioned loan. The loan officer with Farm Credit Mid-America in Owensboro has requested a modification on behalf of Mr. Sisk. The KAFC Board approved Mr. Sisk's request for \$250,000 as part of a \$1,360,000 project for the purchase of 19 acres with 4 Tyson broiler barns in McLean County at the February 9, 2024, meeting.

The loan officer indicated that the borrower has had a poor flock with his last run and is requesting a 90-day maturity extension along with an interest-only payment. This application was referred to the Loan Review Committee.

The Loan Review Committee recommends approving as presented.

Ms. Noel moved to approve the committee recommendation, as presented; Mr. King seconded the motion.

VOTE: Motion Passed; Unanimous.

AF24-0067 Noel, Jonathan

Mr. Jones presented a memorandum (*on file*) regarding the above-mentioned loan. The loan officer with Central Kentucky Ag Credit in Frankfort has requested a modification on behalf of Mr. Noel. The KAFC Board approved Mr. Noel's request for \$250,000 as part of a \$1,140,000 project for the purchase of 285 acres in Mercer County at the October 10, 2024, meeting.

The loan officer indicated that the borrower would like to build a house on 286 acres. This request is for a partial release of 12 acres from 286 acres. The KAFC Board would still have a second position on the 274 acres. This application was referred to the Loan Review Committee.

The Loan Review Committee recommends approving as presented.

Ms. Noel moved to approve the committee recommendation, as presented; Mr. Cochran seconded the motion.

VOTE: Motion Passed; Mr. Noe Abstained.

AF25-0103 Tichenor, Josh

Ms. Smither presented a memorandum (*on file*) regarding the above-mentioned loan. The loan officer with Farm Credit Mid-America in Owensboro has requested a modification on behalf of Mr. Tichenor. The KAFC Board approved Mr. Tichenor's request for \$250,000 as part of a \$570,000 project to construct a 60ft, 12 ring grain bin and a grain leg with a pit at the August 8, 2025, meeting.

The loan officer requests a change of collateral. The application was presented with 32 acres and the current/new grain systems. Farm Credit Mid-America had the first mortgage and KAFC had the second mortgage. After the letter of commitment was sent, it was brought to staff's attention that this was not correct.

This request would use only the current/new grain systems as collateral valued at \$670,000. Farm Credit Mid-America will hold a first lien and KAFC will hold a second lien. The new combined loan-to-value will be 74%.

Mr. King moved to approve the staff recommendation, as presented; Mr. Flanagan seconded the motion.

VOTE: Motion Passed; Unanimous.

AF25-0114 Byler, Joseph

Mr. Jones presented a memorandum (*on file*) regarding the above-mentioned loan. The loan officer with South Central Bank in Glasgow has requested a modification on behalf of Mr. Byler. The KAFC Board approved Mr. Byler's request for \$250,000 as part of a \$710,000 project for the purchase of 42 acres in Hart County at the August 8, 2025, meeting.

This application was approved with a 95% FSA guarantee on both South Central Bank and KAFC. The loan officer indicated that when applying for the FSA guarantee the borrowers were denied since two individuals cannot be on the same deed, they would have to set up an LLC or they would have to survey out the land into two separate parts. Additional collateral was proposed at the time of approval and that will remain.

The combined loan-to-value is 46% (see attached summary sheet). The loan officer is requesting that KAFC remove the requirement for the FSA guarantee.

Mr. Cochran moved to approve the staff recommendation, as presented; Ms. Noel seconded the motion.

VOTE: Motion Passed; Unanimous.
