

# STOP Credit Card Skimming

*You can help!*

Fill up vehicle at pump as close to the attendant station as possible.

Look for signs of tampering: scratches, broken security tape, and loose card readers.

If you see something, say something to the store manager.

*To report possible tampering to the KDA, call (502) 573-0282 or email [ag.web@ky.gov](mailto:ag.web@ky.gov).*
