THE REAL AG EXPERIENCE...

has 2 parts: 1) farm/agribusiness tours and 2) Bring Ag to the Classroom, where volunteers can be a guest speaker/teacher to local classrooms about agriculture. A hands-on ag experience. This can be a field trip to tour a farm or agribusiness or with a volunteer speaker/teacher who will Bring Ag to the Classroom. The goal is to give students unique, hands-on experiences they will remember for a lifetime.

Lost Acres Farm, LLC	Jaime Rice	mike.jaime@gmail.com	502-385-1277	Franklin	Email	Equine, Located on Cardwell Lane, we have about .25 acres in vegetable production. We have two rescued cows, two rescued horses. Visitors would be able to see the connection between the animals, the land, the food, and our responsibility for stewardship. This would not be an all-day trip though. My suggestion would be if someone were interested in bringing their class that they come out and take a look first to see if we meet their needs.
