THE REAL AG EXPERIENCE...

has 2 parts: 1) farm/agribusiness tours and 2) Bring Ag to the Classroom, where volunteers can be a guest speaker/teacher to local classrooms about agriculture. A hands-on ag experience. This can be a field trip to tour a farm or agribusiness or with a volunteer speaker/teacher who will Bring Ag to the Classroom. The goal is to give students unique, hands-on experiences they will remember for a lifetime.
