# FARM TO SCHOOL MONTH BURGER BATTLE

The Kentucky Department of Agriculture has launched the Farm to School Month Burger Battle to celebrate the outstanding products and dedicated farmers of Kentucky. This initiative not only promotes local agriculture but also provides an exciting platform for Kentucky's youth to showcase their culinary talents and creativity. By participating in this burger battle, students have the opportunity to connect with their community's agricultural roots and demonstrate their innovative skills in crafting unique and delicious burgers.

## THE CHALLENGE IS SIMPLE

ONE ITEM PRODUCED OR RAISED IN YOUR COUNTY  
ONE ITEM PRODUCED OR RAISED IN YOUR SURROUNDING COUNTY  
ONE ITEM PRODUCED OR RAISED IN THE STATE OF KENTUCKY

YOUR BURGER DOES NOT NEED TO BE BEEF, BUT WE ASK THAT THE  
PROTEIN BE RAISED IN KENTUCKY
