

KENTUCKY
DEPARTMENT OF
AGRICULTURE

Mobile Science Activity Center

Trailer Features

Each MSAC is equipped with interactive technology along with heating and air conditioning, as well as handicapped- accessible ramps, creating a fun and comfortable educational environment.

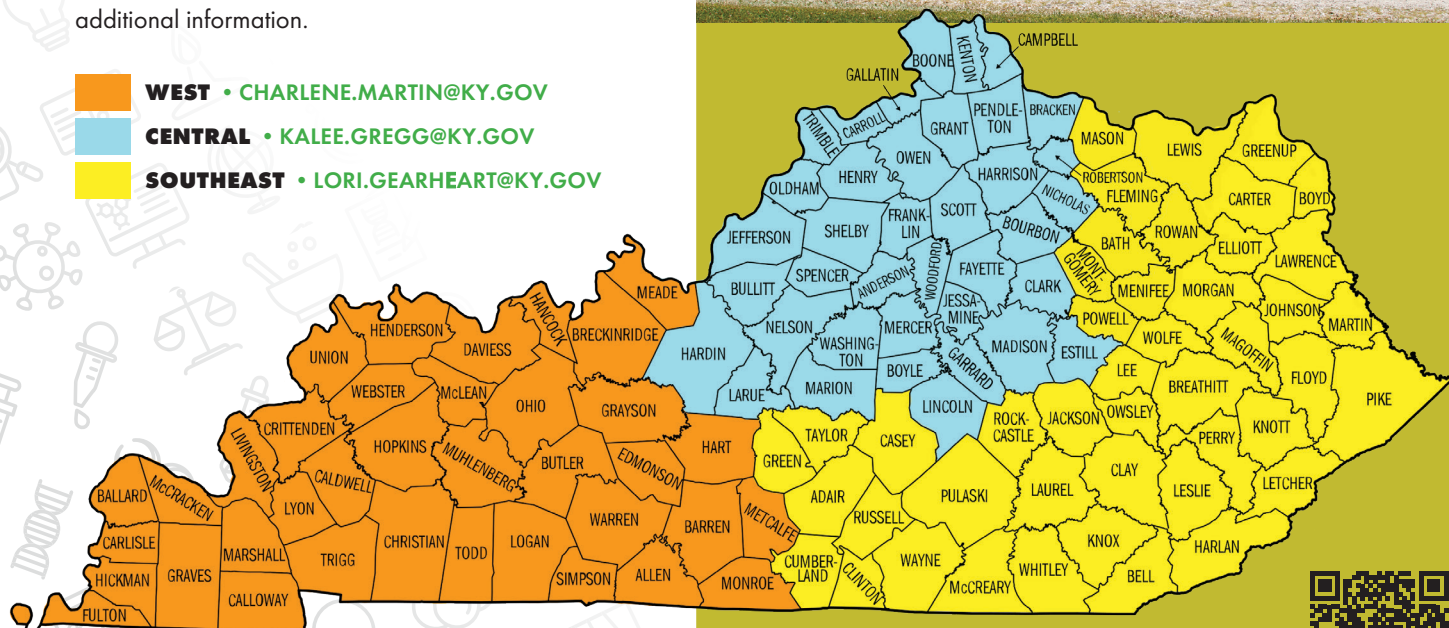

About the MSAC

The Kentucky Department of Agriculture's MSACs travel to schools throughout the Commonwealth to give students the opportunity to conduct science experiments related to agriculture through activities that are aligned to Kentucky Academic Standards in Science.

Scheduling

To begin scheduling your school's MSAC visit, contact your regional MSAC Coordinator for additional information.

- WEST** • CHARLENE.MARTIN@KY.GOV
- CENTRAL** • KALEE.GREGG@KY.GOV
- SOUTHEAST** • LORI.GEARHEART@KY.GOV
