

Ginseng Export Lot Worksheet

Kentucky Department of Agriculture

Office of Agricultural Marketing

Plant Division • 111 Corporate Drive • Frankfort, KY 40601 • (502) 573-0282

Instructions: This form expedites ginseng certification by building and outlining certification lots before a ginseng certification appointment. Some dealers build lots and prepare by using mock export certificates, grouped with each set of purchase forms. Please always have a total of all ginseng and paperwork. This form is a convenience for those that outline on notebook paper or not in habit of building lots. You are responsible for building your own lots prior to your certification appointment.

Ginseng Dealer Name: _____ Ginseng Dealer Number: KY- _____
Ginseng Certification Date: ____/____/____ Ginseng Inspection Date: ____/____/____
