| <p>This template outlines details you should maintain in your records. You may use this template or your own method of recording details. Regardless of the method used, these records must be maintained in your files for at least ten (10) years. You may submit records to KDA for placement in your grower file voluntarily. Include specific site location such as parcel maps or plants for each planting site. Label maps to match this list. Optionally, you may include any additional information about specific sites regarding planting dates, planting stock origins, and horticulture practices.</p> | | | | | | |
