Hay Hotline Forage Listing Form

PRODUCERS WITH CURRENT MARKET AVAILABLE HAY

If you would like to list your hay on the hay hotline, please fill out this Hay Hotline form. We do not accept predicted available hay. This site is open to all states. Kentucky Producers that have had their hay tested by KDA will still be listed on the (Tested Hay) part of our website.

KDA makes no guarantees or claims to the quality, price, or nutritional value of hay and forages submitted through the hay hotline. Producers and brokers with hay for sale will be listed as we collect information through the hotline program. KDA suggest that any hay purchased be tested for quality and protein. Price negotiation is strictly between seller and buyer, KDA does not list pricing and suggests a written contract between all parties.
