

2025-2026 Kentucky Proud® Buy Local Program Distributor Provider Application & Guidelines

What is Buy Local? Buy Local is an incentive program offered by the Kentucky Department of Agriculture (KDA) to reward restaurants and other food service participants for enhancing their menus with locally sourced Kentucky Proud® ingredients. Our goal is to facilitate greater utilization of our farmers' bounty, while making it easier for the food service community to prepare these products for the dining pleasure of their patrons. By sourcing Kentucky Proud® food products, your customers are confirming their commitment to serving fresh, local food while supporting Kentucky's farm families.

About the Program: The KDA is focused on creating greater demand for the agricultural production made possible by our Commonwealth's farms and these incentives are based on purchases that directly benefit these stakeholders. By participating in this program, your business can receive a 2.5% reimbursement on the sales of eligible ingredients sold by your team to approved foodservice participants and prepared for their customers. You will be encouraged to promote Kentucky Proud® through your various marketing channels and in conversations with your customers. Our staff will be glad to assist in helping you identify more sources for Kentucky grown commodities and discussing strategies for gaining customer support for these decisions. While we value all segments of our food production system in Kentucky and encourage our manufacturers to seek Kentucky Proud® designation for their products, we are highlighting the role Kentucky farms are contributing through a Gold, Silver, and Bronze notation system.

Program Guidelines

- Participants must have Active membership status in Kentucky Proud®. You can complete a Kentucky Proud® application at: <http://www.kyproud.com>
- For the purpose of the program, distributors are defined as businesses that provide multiple eligible products from at least three separate Kentucky Proud farms or approved Kentucky Proud vendors.
- Distributors who provide detailed quarterly reports on behalf of the participating restaurants will be considered for a 2.5% reimbursement on their eligible sales. The distributor's incentive will be in addition to your customer's reward and will be contingent on both parties adherence to the program guidelines.
- Distributors must be able to substantiate the level of direct farm impact and provide guidance on the processor and/or farms from which the products originated. This information will be used to designate your portfolio of Kentucky Proud® products as Gold, Silver, or Bronze.

Program Guidelines (continued)

- Your customers who participate in the program will be eligible for a 15% reimbursement on their Gold category items. An overview of the category descriptions and examples of eligible products is provided in the next section of the application.
- Your participating customers' silver category purchases will also be eligible for reimbursement at 15%, but will be limited to no more than 25% of their total reimbursement for the quarter. For example: if a restaurant makes Gold purchases of \$750 and Silver of \$250, the restaurant would be eligible for a 15% rebate on the entire \$1,000 of purchases, thus earning a \$150 reward.
- Any Silver category purchases exceeding the 3:1 ratio as illustrated, would be ineligible for reimbursement.
- Your firm's incentive for brokering these sales and providing the detailed quarterly reports of eligible items sold to participants will be 2.5% of these approved sales. If you provided all \$1,000 of the products, your stipend would be \$25 in the example above. Your incentive will be based on sales not exceeding the 3:1, Gold:Silver ratio per restaurant.
- Your quarterly reports must be submitted to KDA electronically in an Excel file that provides the following information: Customer Name, Invoice Number, Date of Sale, Kentucky Proud® Product Description (including a means of coding such products as "Kentucky Proud®"), Quantity, Price per Unit, and Total Sale Price.
- Requests for reimbursements are due on a quarterly basis and any sales made prior to that reporting period will be ineligible for reimbursement consideration:
 - 2025 Quarter 1 (January – March purchases) due by April 30, 2025
 - 2025 Quarter 2 (April – June purchases) due by July 31, 2025
 - 2025 Quarter 3 (July – September purchases) due by October 31, 2025
 - 2025 Quarter 4 (October – December purchases) due by January 31, 2026
 - 2026 Quarter 1 (January – March purchases) due by April 30, 2026
 - 2026 Quarter 2 (April – June purchases) due by July 31, 2026
 - 2026 Quarter 3 (July – September purchases) due by October 31, 2026
 - 2026 Quarter 4 (October – December purchases) due by January 31, 2027
- All reimbursement documentation submitted by distributors and their participating customers will be reviewed quarterly and determinations made by KDA staff on the appropriate payment to all parties.
- The KDA will reimburse the Distributor on eligible items on a quarterly basis until it has reached the \$36,000 lifetime cap or until funding is depleted. The quarterly maximum reimbursable amount is \$1,250.
- Coordination is encouraged between the distributors and the foodservice participant as to the submission of quarterly sales reports. Foodservice participants may be required to submit their corresponding invoices for the quarterly sales report provided by the distributor. Documentation for eligible items purchased and submitted for reimbursement will be reviewed to ensure program compliance and to prevent double payment.
- While there will be no reimbursement to the distributors for Bronze purchases, we ask that you identify and report these sales as a third category. We value the economic importance of our Kentucky based food processors and would like to support their product awareness.
- Products not further prepared by your customers as part of their menu offering and simply offered for resale through their gift shop or storefront are not eligible for the program.
- Invoices for products sold before KDA staff approves your and your customers' applications for the Buy Local program are not eligible for reimbursement.
- Applicants and awardees are encouraged to contact KDA for further clarity.
- Enrollment in the 2025-2026 Buy Local program will provide the program participant reimbursement eligibility for sales made through December 31, 2026, contingent upon funding availability and compliance with all terms of the program.
