

Livestock Show

SUNSHINE CLASS

AUGUST 26, 2026

The Sunshine Class offers an opportunity for individuals with special needs to partner with a trained mentor to show livestock in a show ring at the 2026 Kentucky State Fair.

The program provides the opportunity for individuals with special needs to get hands on experience with parts of the agriculture industry.

Open to individuals with special needs of all ages.

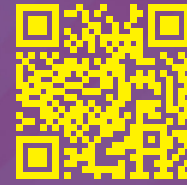

Show ring handicap accessible for all needs.

Individuals are paired with trained livestock exhibitor for entire duration of livestock show.

No experience needed.

For more information and to register, scan the QR code with your mobile smart device.
