Compared to last week: True price comparison not available due to light receipts last week caused by winter storm, but a higher undertone noted. Some late week sales with enough comparable receipts quoting up to 10.00 higher on calves 300-500 lbs fresh off the cow. Demand very good for all classes. Receipts ebb and flow with the weather, this week brought sunny skies and glimpses of spring-like temperatures, a welcomed break from a nasty winter. More..... [More...](#)
