**Weekly Kentucky Cattle and Grain Summary**

**USDA Livestock, Poultry and Grain Market News**

**Frankfort, KY**

Monday, May 10, 2021

For Week Ending:

Saturday, May 8, 2021

Receipts: 14,823

Last Week: 17,146

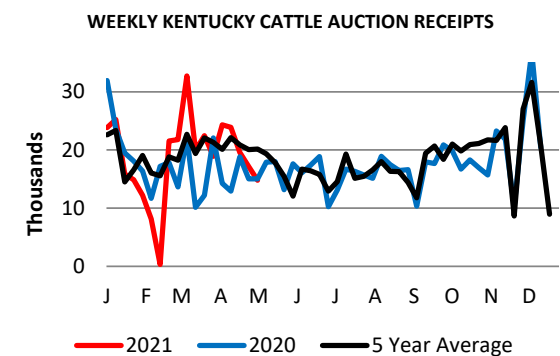

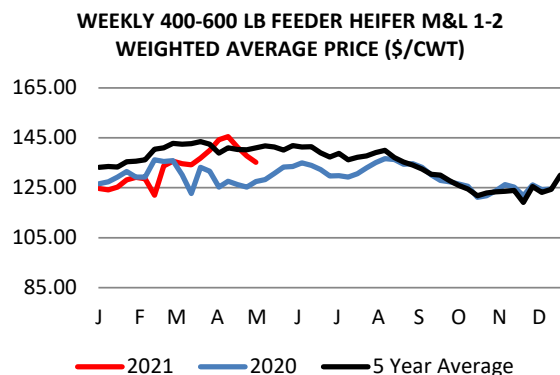

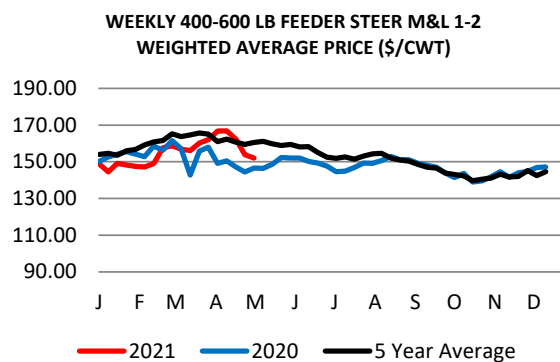

Last Yr: 15,033

Compared to last week, feeder steers and heifers were mostly 1.00-4.00 lower with mostly light to moderate demand. Heavy rain was prevalent throughout much of the state which limited some livestock movement, and higher corn futures decreased demand for feeder cattle. Buyers continue to show the most demand for long-weaned (45+ days), preconditioned feeder cattle. Slaughter cows were mostly 1.00-3.00 higher, and slaughter bulls mostly steady to 2.00 higher.
