

## **Kentucky Enhanced Requirements in lieu of an Import Permit for Rodeo and Barrel Horses (High Risk Equine Population)**

*Due to the current EHV-1/EHM outbreak associated with Texas and Oklahoma Barrel Race/Rodeo events the following requirements for High-Risk Equine Populations will be in effect for the next 30 days from Dec. 05, 2025:*

A) CVI completed within 5 (five) days prior to movement.

B) Include the following statement:

*The equine(s) listed on this CVI have NOT originated from, been exposed to, or attended an event under EHV-1/EHM quarantine or where an EHV-1/EHM suspected or confirmed case has occurred within the preceding 21 days."*
