

APPLICATION FOR AN APPROVED HORSE SALE

This is to request approval of _____ Horse Sale,
located at _____
to be approved for selling horses, and other equidae, at public auction in accordance with 302 KAR
22.130. In applying for this approval, I agree to the following:

1. Furnish a schedule of sale days to the State Veterinarian's Office.
2. Maintain on file for twelve (12) months complete records of origin and destination of each animal going through the market. A driver's license, or other valid identification, will be used to obtain complete addresses of both the buyer and seller of each animal. These records will be made available to state livestock inspectors at their request.
3. If applicable, place in visible locations, throughout the market and sale area, notices which make it clear that animals are being sold without proof of being negative to Equine Infectious Anemia.
4. Take full responsibility to insure that all eligible untested equines are tested for Equine Infectious Anemia by the market's veterinarian.
5. Maintain well constructed pens and handling facilities that are clean, well lighted, and in good repair.
6. Clean and disinfect animal handling facilities as deemed necessary by the Department of Agriculture to prevent the spread of infectious disease.

I have been explained each of the above statements and agree to abide by them.
