

**APPLICATION FOR A STOCKYARD or BUYING STATION TO HANDLE SLAUGHTER SWINE ONLY
IN ACCORDANCE WITH CFR PART 71, TITLE 9**

This is to request approval of _____ Stockyard OR Buying Station,
located at _____

to be specifically approved for handling slaughter swine only in accordance with CFR Part 71, Title 9.

In applying for this approval, we agree to:

Responsibilities as per 302 KAR 22.050 Section 6

Slaughter swine stockyards shall maintain well-constructed pens and swine handling facilities that are clean and in good repair
Slaughter swine stockyards shall maintain records of origin and destination for all swine entering market and grant federal and state inspectors access to the records. Records shall be maintained for a least five(5) years
Slaughter swine stockyards shall isolate all swine suspected of being affected with or exposed to an infectious disease, promptly notify the state or federal agency, and hold the swine in isolation pending instructions on disposition
Slaughter swine stockyards shall clean and disinfect holding and handling pens, alleys, and other facilities used in selling swine according to federal regulations
Swine entering onto the stockyards premises shall be only for slaughter, and swine shall not be permitted to leave the stockyard premises for any purpose other than slaughter
All swine shall be delivered directly to an approved slaughter establishment with no diversion en route, except for swine designated as farm slaughter. The stockyard shall record the name and information of the slaughter facility destination
The number of swine purchased for farm slaughter for family consumption only shall not exceed six (6)head of animals per premises within twelve (12) months.
Farm slaughter swine shall not be commingled with other swine on the purchaser's premises
The purchaser of farm slaughter swine shall document slaughter of animals within seven (7) days of purchase. This record shall be made available to the OSV upon request.
All swine exiting the stockyard shall require official identification. The stockyard shall record the owner and premises of destination information
Pigs should not remain in the market for more than 72 hours

I, _____, have read and understand the above eight (8) points. Copies of applicable laws and/or regulations are available upon my request. I acknowledge that I am informed and understand that failure to comply with the provisions of this agreement and applicable laws and regulations constitute a basis for withdrawal of this endorsement.
